According to the above circular, it would appear that all the Municipal employees would get the benefit of the Interim Relief recently sanctioned by Government and are applicable to all the Municipal employees But I feel a doubt whether the G O read with the above circular would mean that the interim relief has to be extended to the sweepers and other gangmen of this Municipality These sweepers and gangmen are not governed by the L S R and their service conditions etc , are counted on nominal roll basis and The Municipality is guided by the G O dated 17-1-1948 with regarding to leave and there is the facility of the Municipal Provident Fund also Under the circumstances, I would like to know whether this Municipality can extend the interim relief to the gangmen, sweepers also provided the finances of this Municipality permits such an increase In view of the fact that the matter would be discussed at the ensuing meeting of the Municipal Council on the 28th inst, I request for an immediate clarification in the matter

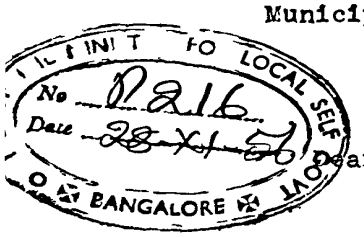
A Visvanath, I A S ,
Municipal Commissioner



City Municipality,
Mysore, Dated 28-11-1956

Dear sir,

In continuation of my telephone talk with you, I have made enquiries to-day and I understand that the sweepers had assembled in the Town Hall with a view to pass a resolution requesting the Council to sanction the interim relief to them when they meet during this month i e , 29th Nov 1956

In this connection, I understand that the meeting was scheduled to take place yesterday, but the same had been postponed since we had requisitioned their services yesterday afternoon, in connection with the cleaning of the city Hence, they had postponed the meeting for to-day at 3 p m and they dispersed after completion of the meeting at about 3-30 p m In this connection, I write to state that the Managing Committee had passed a resolution recommending the grant of interim relief to all the staff including the sweepers and gangmen and the same is before the Council The main object of the meeting appears to be to request the Council not to defer the subject but to dispose off this month alone so that they might be able to draw the interim relief on their next pay day i e , 10-12-1956

It may be stated in this connection that as per the recent circular that has been received from the Government, it is not clear whether the interim relief can be extended to sweepers and gangmen On this point, I have sought for a clarification from the Secretary to Government, L S G Department in this office letter No C1 PR 73/56-7 da ed 21-11-1956 - copy

enclosed I had also spoken to the Secretary last Friday and he stated that a similar clarification had been sought for by the Bangalore Corporation and in that connection the Government had passed orders that the interim relief may be extended to sweepers and gangmen also provided the finance of the Corporation permits and the same is under issue He told me that he will also issue instructions to me on the same lines on the clarification that I have sought for

Thefefore, I request you kindly to cause issue the necessary clarification so that in case the Council passes the resolution on the 29th instant, I may be able to disburse the interim relief to them on their next pay day. There is nothing to worry about and as matters stand to-day, there is no fear of any strike by the sweepers If the Council does not sanction the interim relief on the 29th, they might perhaps strike They have given an ultimatum to this effect, copy of which is enclosed

Yours sincerely,

Sri R.Chennigaramiah,
Minister for Local Self-Government,
Atarakacheri, Bangalore 1

Subject: Your circular No A-1870-913/IMB 40-PP-56 dated 19-11-1956 - Interim Relief -

According to the above circular, it would appear that all the Municipal employees would get the benefit of the Interim Relief recently sanctioned by Government and are applicable to all the Municipal employees. But I feel a doubt whether the G O read with the above circular would mean that the interim relief is to be extended to the sanitary and other employees of this Municipality. The sweepers and scavengers are now governed by the I S R and their service conditions etc., are counted on nominal roll basis. The Municipality is guided by the G O dated 17-1-1948 with regard to leave and there is the facility of the Municipal Provident Fund also. Under these circumstances, I would like to know whether this Municipality can extend the interim relief to the sanitary sweepers are provided the finances of this Municipality permits such an increase. In view of the fact that the matter would be discussed at the ensuing meeting of the Municipal Council on the 27th instant, I request for an immediate clarification in the matter.
